Risk Analyst

DATE POSTED: August 22, 2019
POSITION: Risk Analyst
LOCATION: Any Branch Location
TITLE & SALARY: Experience Based

HIGH PLAINS FARM CREDIT, ACA

The Farm Credit System is a unique entity, a network of nationally connected, locally owned financial cooperatives. Since 1916, Farm Credit has been devoted to agricultural financing and is the largest single provider of agricultural credit in the United States. High Plains Farm Credit is a member of the Farm Credit System and services almost \$1.4 billion of loans. High Plains Farm Credit's vision is to be the preferred source of agricultural financing.

POSITION PURPOSE

High Plains Farm Credit is recruiting a Risk Analyst to support the development of programs, policies, procedures, and processes to ensure sound risk management practices are in place and risk levels are being monitored via the appropriate reporting processes.

JOB FUNCTIONS

- Assist with the development of an overall Enterprise Risk Management Framework
- Define and establish assumptions and parameters to complete data analysis
- Create and present risk management reports for Senior Management
- Collaborate across High Plains' departments and with other Farm Credit institutions

QUALIFYING CHARACTERISTICS

- Bachelor's degree in Business or Agricultural Business, Economics or Agricultural Economics, Finance, Statistics or related fields.
- 3 years or less of risk management, credit, or finance experience.
- Strong analysis, problem solving, communication and computer skills.
- Knowledge of agriculture, financial and real estate industry preferred.

EEO/AA/M/F/D/V
